CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Temporary Home While New Bank Is Work City Streets **Being Constructed**

President Harry M. McIntosh of Bank of Pahokee announced yes-terday that construction will start Monday morning on a handsome, modern, air conditioned building to, house Palm Beach County's oldest

bank. Don Hillier is the contractor.
While the new bank is under construction banking business will be carried on in the Lions club building where all old equipment will be moved over the week end. The Lions club and Rotary club will meet in the Woman's Cluo building while the Lions building is being used for banking purposes.

is being used for banking purposes.
Chartered in 1922 the Bank of
Pahokee is Palm Beach County's
oldest financial institution. The
majority of banks in the county
folded during and after the 192526 real estate boom. The local
bank, in conservative hands sincthe day of its opening, weathered
the financial storm of the boom period and came through with fly-ing colors. Again during the depression when going was rough for banks—the local bank came through with an excellent record. President McIntosh in comment.

ing on the temporary location said "We ask the indulgence of our patrons during the time our new building is under construction. We eagerly look to the day when we can open the doors of our new building and give our friends and patrons an outstanding, modern and convenient banking service." nd convenient banking

Blue Devils Barely Able To Tie Delray

The Pahokee Blue Devils, in their first game away from home this season, were barely able to hold the Delray Beach Seahawks to a 6 to 6 tie at Delray Friday

The Pahokee eleven consistently outgained the Seahawks and had the ball in their possession most of the game but seemed to lack the final punch necessary for touchdowns.

With two victories, one tie and one defeat on the record the Blue Devils were scheduled to play the South Broward Bulldogs on Lair South Broward Billiogs on Lair Field last night at 8:15, too late for the game to be printed in this week's issue of the Everglades News. This game was originally set for tonight but the date was advanced a day by mutual agree-ment of the two schools.

Bacom Point Airport Bids Called Nov. 8

An advertisement for bids on the new Palm Beach County Glades (Bacom Point) airport will be carried in the columns of The Pahokee News, Pahokee, Florida, in the issues of Oct. 29, and Nov. 5, 1948. The call for bids will also appear in the Palm Beach Post on Oct. 24, 31, and Nov. 7, 1948. Those interested in bidding on the pro-posed airport are hereby advised by County Commissioner Paul Rardin that bids will be returnable to the board of county commisor Nov. 8, 1948.

Belle Glade Buys Grader, Bulldozer To

The Belle Glade Street Department is still busy patching holes, harding rock, filling in and regrading streets that suffered damage from water during the storm in September. Commissioner Harold Rabin, who is Chairman of the Street Department, takes credit along with the other City Com-missioners for the purchase of a Road Grader and a Bulldozer. The Grader is a heavy type machine made by the Austin-Western Commade by the Austin-Western Com-pany called an H-99, which will do just about everything but talk, and the Bulldozer is a Caterpillar. C. T. Pennington, has been named the City Street Superintendent and will have charge of the City Ga-rage which is now open. E. C. rage which is now open. E. Cowart is the new mechanic machinery maintenance man.

Cane Harvest Will Start Next Monday

N. Vaughn, resident manager United States Sugar Corpo-announced Tuesday that y, October 25, had been set

day, October 25, had been set the official opening date of the 948-49 sigar cane harvest season, veather permitting.
Mr. Vaughn said that agricul-tural department heads, after an investigation of hurricane damage last week, are more optimistic and a larger crop than was ground last season is predicted. No definite percentage of loss has been given but it is generall believed to be somewhat less than at first thought.

The primary concern at this time, Mr. Vaughn said, is the removal of flood waters from the plantations and it is expected that the greatest part of this water will be off by the latter part of this week. Benbow and Ritta Planta-tions have been the hardest hit by high water and some very effective drainage work has been done in both areas. The weather has been perfect for the past week and large areas in the lake section have been dried off. A continuation of this kind of weather will assure all plantations being dry when the harvest starts.

The sugar house will begin oprating either on Tuesday, October 26 or Wednesday, October 27.

Scout Officials To **Meet In Canal Point**

All Canal Point Scout officials, including land, sea and Cub leaders are urged to be present at a vital meeting to be held in the Baptist Church auditorium .on Friday evening, according to an announcement of Neighborhood Commissioner, R. A. Fuller. Local sponsoring institutions for Boy Scouts are the Missionary Baptist and Methodist Churches. The Cubs are sponsored by the Canal Point. All Canal Point Scout officials and Methodust Churches. The Cubs are sponsored by the Canal Point PTA. The local American Legion will be approached to sponsor a fine group of boys in our community now eligible as Sea Scouts. We have excellent possibilities for Sea Scouting and with a bit of community cooperation could have a Unit here that would do credit to local Legionnaires.

Annual Round-Up Scheduled Tuesday

The North Glades District of the Boy Scouts of America will have their annual Boy Scout Round-Up on the church yard of the First Methodist Church on Tuesday, October 26th, from 6:30 to 8:30 p. m.

Features for the Evenings ac tivities will be an address by C. A Canipe, principal of the Pahoke High School and a talk by Mr. Patterson, Scout Executive of West Palm Beach. There will be games, songs, stunts, a Court of Honor and Eats.

Those invited for this occasion include the following; all Boy Scouts, Senior, or Sea Scouts, Cuo Scouts and all boys 12 to 14 years of age with their parents. The parents are especially invited. The parents are especially invited. The Committees in charge include: Program, T. S. Kirk, District Chairman, Rev. C. T. Howes, District Chairman, Rev. C. T. Howes, District Commissioner, James H. Wilson, Organization and Extension and Alton Jones Court of Honor Chairman; Eats and arrangements: R. B. Simonson, David Bleech, David Kicklighter, J. W. Mullis Thadd Whidden, Charles Jones, Carl Western Chairman; Charles Jones, Carl Western Chairman; This annual round-up is a great event in scouting and it is hoped that this year may be the greatest of all. The presence of all Scouts, Scout Leaders, Committeemen.

Scout Leaders, Committeemen. Scout Masters, Cub Masters and other Scouters will help to make this a truly great occasion

Group Named For Flood Control Com.

21-member citizens flood con A 21-member citizens flood con-trol committee for Florida has been named by Governor Caldwell and Fuller Warren, Democratic nominee for governor, in a joint announcement.

The 21-member group is expect ed to recommend ways to raise the state's share of a proposed \$208,-000,000 federal flood control pro-

gram for the state.
The committee:
John Montgomery, Miami Beach publisher and president of Miami Beach Chamber of Commerce; L.
B. McLeod, Orlando; James, H.
Allen, Pensacola; Dan McCarty,

L. and R. E. McKlinney, McLemoresville. Burial was: at the Woodlawn Cemetery, West Palm Beach. Ber-ry's Funeral Home was in charge of arrangements. of arrangements.

Wroten Is Named Pahokee Councilman

The Pahokee City Council at an adjourned meeting Tuesday night elected Leo Wroten a member of the council to fill the vacancy left by the recent resignation of Counand commissioner of sidewalks and parks Mr. Seller's unexpired cilman streets, through term.

Councilmen Wroten and A. J. Gamot were named on a commit-tee to investigate the feasibility of

tee to investigate the feasibility of imposing a three-cent municipal tax on packages of cigarettes and report at the next meeting.

William Manley King, West Palm Beach architect, was authorized to proceed with the drawing of final plans and specifications for the proposed new Pahokee Hospital. The council voted a \$25 contribution to the Hallowsen carrie. pital. The council voted a \$20 con-tribution to the Halloween carni-val and party for the children of Pahokee to be held on Lair Fleid Saturday evening, Oct. 30, under the sponsorship of PTA in coopera-tion with various civic groups.

County Center In Glades Section Is **Commission Plan**

Beach Post on Wednesday morn-ing carried the following story which is of interest to the entire Everglades section of Palm Beach County:)

Resolutions calling for work on Conner's Highway at the earliest possible date and construction of a county center in the Everglades were passed by the County Com-mission yesterday during the special session of the body, which was called to hear the motion for adoption of the resolutions Commissioner Paul Rardin.

Rardin told the members of the commission that the citizens of his district "just want to be able to get into town," and said, "due to the growth and development of the growth and development of Palm Beach County, as well as the steady increase in population of the Everglades" the county center in that area is advisable.

He called to attention of the commissioners that the road we

unrepaired for several months last year, and asked that a "resolution of strong wording" be adopted so that everything possible would be done to prevent a recurrance of last year's story. He pointed out-that Conner's Highway is one of the two main arteries to and from the Glades area, and that over this read a large amount of foodstuff

road a large amount of foodstuff would flow daily.

The road, according to Commis-sioner Rardin, has been under water for several weeks this year, and will need a "great deal of patch-ing" as it did last year. "It isn't in as bad shape, however, as it was last year,' 'he said.

The resolution concerning a

last year, 'he said.

The resolution concerning a county center for the Everglades which was described by one commissioner as a "courthouse annex," would have administrative offices for the county agricultural agent, county welfare worker, county

medical officer, a county clinic, etc.

He asked in the resolution that
the trustees of the Internal Imthe trustees of the internal Im-provement Fund turn over approx-imately 6.5 acres) of ground about one mile north of the prison farm on the Belle Glade-Pahokee road for the site of the "little court-house."

Nursery Is Planned For Baptist Church

A nursery department has been organized at the Canal Point Baptist Church for the benefit of very small children who wish to attend church services on Sunday morning. It is under the supervision of Mrs. Charles Jones. Every Sunday morning during services small children and babies will be cared for so the parents can attend preaching. Bring the babies and children to Sunday School and plan to stay for church.

Mr. and Mrs. I. S. Guthrie and granddaughter, Marcia Jean, spent Saturday in Miami visiting their son, Norwood Guthrie, who is recuiperating from an operation performed recently at Victoria Hospital of that city.

is vital that this amendment

The United States only asks for peace with justice in the United Nations be made to work for that purpose.-President Harry S. Truman

The last Congress has one star in its crown. For 16 years we were headed for more and more control, higher and higher taxes. We reversed that trend. We took a new road. We began to walk in the paths of freedom.—Rep. Joseph W. Martin, Jr. (R., Mass.)

Millions of children in this free and wealthy land are not in school at all and millions more are given a very poor educational chance.—Glenn E. Snow, president, National Educational cation Association.

We need far more tolerance, far more consideration for others, far more good will to our fellows. These cannot be gained through legislation or other compulsion. They must come from education.—Dr. Edmund W. Sinnott, president, American Association for the Advancement of Science.

We are setting up America's best insurance policy against communism or any other kind of "ism," and against those who believe that it is the function of the state to regulate completely the lives of all men.—John L. Lewis.

amendment.

Amendment No. 1 Important If Road Plan Is To Work

Florida must act favorably on Good Roads Amendments No. 1 at the election on November 2 if the state expects to maintain its State Maintained System, according o F. Elgin Bayless, chairman of the State Road Department.

A comprehensive analysis re-weals the need for immediate improvements estimated to cost over \$200,000,000 on the State Main-tained System alone, and this estimate does not include expensive urban connections for which some of the surveys are not complete, according to Bayless. The State system of 8,736 miles represents less than 20 percent of the total road and street mileage in the

Florida is penalizing its motor ists by diverting motor vehcle mposts to non-highway uses. At present 22 states have constitu-tional amendment prohibiting the use of any motor vehicle imposts for non-highway purposes. In Flor-ida, 36 percent of the distributable motor vehicle imposts are diverted to non-highway use, as against 8 percent in the other Southern States and 5 percent for the United States

Mr. Bayless declares that ade quate roads cannot be provided without excessive taxation of the quate roads cannot motorists unless a greater part of the already high tax payments are retained for road use.

The source of ad valorem tax revenue to improv elocal, farm-tomarket roads was greatly reduced by hte homestead amendment. The local road systems have suffered in consequence. In Florida, only 27 percent of the local roads are surfaced, against 41 percent for the nation as a whole. In Florida the local road share of motor vehicle imposts is only 12 percent, the as the backbone of the church, the frost of which is used to pay old future of the First Baptist Church county road and bridge debta, while for the entire United States local roads get 24 percent of such

imposts.

You Get Credit In This School For Being A Good Fisherman

The dream of the small boy can come true: going fishing and get-ting school credits for it.

Last week the University of

Illinois announced that for first time any where in the U. S. a course in fishing was being of-fered. Fifty-seven students at the Navy Pier School (the University's Chicago division) were lea the intricacies of rod and casting.

There was one joker: No bait is used and no fish are caught. Said instructor Leo Gedvilas: "The reas-on is obvious. We are teaching the art of casting for game fish, such as pike, bass and pickerel. Our boats only go out to the area near the Navy pier, where none of these fish abound. That does not mean we ignore the techniques of still fishing or fishing with files or fly-rods. All these methods are ex-plained, but it is in the use of rod

skills are required."

For "laboratory" work, Prof.
Gedvilas's students make artificial bait.

Among its many other accomplishments, the City of Mount Dora is a tax collector's paradise! According to Tax Collector Bill Stewart, 99.3 per cent of the city taxes has been collected to date!
Of over \$46,000 in tax statements
sent out, only \$300 remains to be paid to the collector.

"SERVING THE GLADES"

From where I sit ... by Joo Marsh I'm Glad We're "Different!"

There's a lot of difference of opinion in our county on the best kind of pasture. Some say alfalfa mixed with brome grass—others say mixed with oats or barley. But all agree that a mixture's better than a single crop.

I sometimes think people are the same way—and the strength of America is its mixture of so many different strains -some from one country, some from another right down to little differences: like folks who have a taste for beer and those who prefer cider.

From where I sit, so long as we ever become intolerant of one another's different tastes -so long as we live together with our differ-ences, and even supplement them the way brome grass does alfalfa, we're a mighty good crop!

So neighbor—enjoy your cider while I enjoy my beer! Vote for your candidate—I'll stand by mine! But never let our differences divide us!

Goe Marsh

Arguments Favor Port For Pahokee

Convincing arguments, backed by facts and figures, showing the need of a dependable harbor and need of a dependance harror and port, including a breakwater, ade-quate channel and wharf, at the Pahokee waterfront on Lake Oke-chobee were presented by, a group of citizens and their representa-tives in an efficient and orderly manner at a hearing conducted by the U.S. Engineers in the city hall Tuesday morning. Not a voice was raised in opposition to the propos ed port.

The hearing was conducted by Frank Kinsler and W. H. Daugherty from the Jacksonville office of the U. S. Engineers. Rep. B. Elliott acted as chairman in introducing those who presented statistics and spoke in behalf of the establishment of a port at Pa-

L. R. Bishop, Port of Palm Beach commissioner, reported that the Port of Authority has funds earmarked for the rebuilding as soon as materials are available of the Pahokee wharf which was destrowed in last year's hurricane, the new wharf to have steel pilings and to be of more substantial con-struction than the first. Mr. Bishop also said that his engineers will draw up specifications of channel needs for the Pahokee port.

John A. Dulany, former mayor

of Pahokee, gave statistics of esti-mated freight tonnage that would move through the port and the points of distinations of shipments.

James H. Wilson pointed out also the need of a protected port in this area for the mooring of the smaller type of boats such as fishother kinds of pleasure boats.

Congressman Dwight L. Rogers,

who was present at the meeting, promised to do his utmost to get the proposed port approved in Washington, D. C.

Washington, D. C.
Ralph Blank, county RDB manager, also gave statistics in favor of the port and agreed to combine his figures with those present-

bine his figures with those presented by Dulany and others in a joint report to be sent to the U. S. Engineers when completed.

C. G. March, representing the state railroad commission, and Mayor T. C. Richardson also spoke in favor of the port. It was the research of complete of those af consensus of opinion of those atconsensus of opinion of those ac-tending the hearing that a break-water would be absolutely neces-sary to make a port at Pahokee safe and practical.

Leonard Dobrow Is Club Speaker

Leonard Dobrow, who is associated with the Dobrow chain of theatres in the Glades area, was guest speaker at the luncheon meeting of the Woman's Club last meeting of the woman's Club assistance, included by Mrs. Alice Spooner, chairman of the club's motion picture committee, who in charge of the program, the speaker gave a talk on "The Motion Picture Industry."

Although they know this, leaders of 16 railroad unions are demanding a five-day, Mon-day through Friday, week for one million railroad employes.

They want 48 hours pay for 40 hours work in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employe!

You'd Pay the Bill!

Summing up these demands, they mean that se union leaders seek to force the railroads to give one million employes an annual raise which would average \$1500 per employe!

The total cost of this would be no less than 1½ billion dollars per year, which is more than twice the expected net income of the

You'd pay the bill, because if these in-creased costs are forced on the railroads,

they must have still further rate and fare

Demands Unreasonable

These-employes have had substantial raises during and since the war. Their average week-ly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement sys-tem and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 s, which add up to the equivalent of 48c an the Conductors and Trainmen recently settled their wage request for an increase of 10c

Railroads Run for Everybody— Not Employes Alone The railroad industry must serve not one but

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. Everybody who enters railroad employment knows this.

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!

We are publishing this and other advertisements to talk with you at first hand about matters which are important to everybody

National Emblem **Of Future Farmers**

The National Emblem of the Future Farmers of America is significant and meaningful in every nificant and meaningful in every detail. Used by members in all recognized units of the organization, it is made up of five symbols; the owl, the plow, and the rising sun, within the cross section of an ear

which is surmounted by the American Eagle. Upon the face of the emblem appear also the words "Vocational Agriculture" and the letters "FFA." The owl is symbolic of wisdom and know-ledge; the plow is the symbol of ledge; the plow is the symbol of labor and tillage of the soil; the rising sun is emblemic of progress and the new day that will dawn when all farmers are trained and have learned to cooperate; the cross section of an ear of corn represents common agriculture interests since corn is native to America and grown in every State; and the eagle is indicative of the national scope of the organization.

Green Hands Will Be **Initiated November 1**

At the regular bimonthly meeting of the Pahokee Chapter, Future Farmers of America, held Monday night in the high school agriculture building, the chapter set Nov. 1 as annual initiation day for green hands. The policy proclaimed by national and state officers that "rough stuff" be omitted from FFA initiations was omitted from FFA initiations was endorsed by the local chapter. The class of candidates for the

The class of candidates for the degree of green hand who will be initiated on that date includes Don Adams, Orel Adams, Leland Becton, Rual Boyd, Eugene Buchanan, Bobby Carlton, Eugene Caruthers, Robert DeLoach, Gene Enfinger, Albert Graves, Paul Gresham, Charles Hamilton, Bill Hatton, Pau, Hordespeel Ray Hayes, Billy Henderson, Franklin Howell, Gordon Hoyie, Julian Jones, Harry Leyins, Danny Mullis, Calvin Padgett, Jimmy Ro-zelle, John Rogers, Billy Rosier, O. G. Ryals, Bennie Sims, Ted Stidham, Lee Suggs, George Scruggs Eugene Thornton, Louis Pope, Le-vone Faircloth and Tony Lively. The date for the chapter's an-

nual father and son banquet was tentatively set for Friday, Feb. 18 or 25.

Secretary Ralph Chaney was introduced to make arrangements for entering the Pahokee FFA Chapter in Sears, Roebuck and Company's "Pass the Chicken Papof free chicks to be raised in competition with other FFA chapters in South Florida. These chicks will be served at the FFA father and son banquet.

GOOD ROADS

AMENDMENT NO. "1"

This amendment will not affect the sources from which school funds are obtained.

Florida is now spending \$100,000,000 annually on education.

The same legislature that proposed this amendment took full consideration of county school needs in increasing their annual appropriation from \$18,000,000 to \$42,000,000.

More than \$16,000,000 of motorists' license tag fees are already going to schools and this will not be affected.

This Amendment WILL NOT HURT THE SCHOOLS

PRELUDE TO ACCIDENTInjury ---- Death!

Every violation of the center line of safety is a potential prelude to accident.

Crossing into the danger zone can occur at the approach to the top of a hill—on a curve—going into an underpass, or even on the straight highway. That's reckless, dangerous driving! Accident records show that about one half of all fatal traffic accidents result from bad driving habits such as these.

It's your responsibility to yourself, your family and to others who share the road to avoid these "Pass-Pockets" where lurk injury—and death.

Don't let impatient driving tag your conscience with being one of those who contributed to the maining or death of the hundreds of thousands who will be auto accident victims this year.

You can be a safe driver if you will. It's up to you.

Solomon Story For Men's Bible Class

One of the greatest characters of all time was the Bible personal-ity known as Solomon. He chose wisdom in preference to everything received wisdom everything else. Yes, he went the way of all flesh. This Sunday morning at 9:45, Rev. C. A. Moberg, teacher of the Pahokee Men's Bible Class will present the lesson, "And Solomon Reigned."

The class quartet will present another of its splendid programs. C. G. Willis will preside. This will be next to the last time the teacher will have the privilege of meeting with the class, in view of his resignation as pastor, effective Sun-day October 31st. A most cordial invitation is extended to all unaf-filiated men of the community and

visitors.

This Sunday morning will mark the last time the pastor, Rev. C.

A. Moberg will fellowship with his people in the observance of the Lord's Supper, It is hoped that all will make a special effort to be present. The "class quartet will sing, Mrs. Moberg will render the solo, "\$in Wilh rot Have Dominion Over You," one of the many requested. quested.

At the evening service beginning at 7:45, the pastor will preach on, "God's Plan of Salvation." Musical "God's Plan of Salvation." Musical selections will be presented by the ladies' quartet and the class quartet. The request number, "If We Never Meet Again," will oo sung. The "Illuminated Cross Med-itation Sing" will likewise be pre-sented.

It is hoped by the pastor and his family that every member and friend will make a special effort to be present this Wednesday to be present this wednesday night, the last for Rev. Moberg as pastor. The midweek prayer, praise and Bible study meetings of the First Baptist Church of Pahckee have been one of the joys of the seven and a half years ministry here.
